## ABOUT ME

Passionate and dedicated web designer with over 6 years of experience in crafting visually appealing, user-centric websites. I excel in dynamic environments, merging creativity with technical expertise. Committed to staying current with design trends, I consistently deliver work that exceeds expectations. Eager to bring my innovative approach and enthusiasm to a forward-thinking team.

## WORK EXPERIENCE

○ July 2021- Present  
Apogee GNSS Pvt. Ltd. | A-67, Sector 63 Noida UP  
**Sr. Web Designer**

As Sr. web designers, we create all official company websites, along with various admin panels and user interfaces, ensuring functionality, visual appeal, and a seamless user experience for both administrators and end-users.

○ 2020 - 2021  
Showboat Entertainment | Hauz Khas, New Delhi  
**Web Designer**

We specialize in designing client service websites for astrologers, digital services, and various projects for USA clients. Our focus is on creating user-friendly interfaces tailored to meet specific industry requirements.

○ 2019 - 2020  
Nintware | Saket New Delhi  
**Web Designer**

We design client service websites, including E-Commerce, Disaster Management, and products & services interfaces, prioritizing functionality, aesthetics, and user-friendliness to meet diverse industry needs and ensure an optimal user experience.
